Supplying Images?

Important:

If you require colour matching for your brand or logo you'll need to supply the artwork as vector art, we can't match colours in a jpeg logo.

If you're supplying your own images make sure they're at least 150dpi when at full size (900 x 1800)

- ☐ Vector Artwork
- ☐ Pantone Numbers
- ☐ 150dpi full size images
